

Program

Thur, 12th November arrival

We can offer you to pick you up from the airport.

We would like to have dinner together at about 7 p.m. This way we have time to get to know each other in a relaxed atmosphere.

Fri, 13th November

First, we would like to show you our school. Afterwards we want to offer you a guided tour through our city, Biberach. The tour will end in the town hall where you will be welcomed officially by the city of Biberach.

When you have finished your lunch there will be some free time for you. From 4 p.m. on you can enjoy the official part of our 100 anniversary with a drink.

Sat, 14th November

Saturday will be started with our first Comenius meeting (9 – 11 a.m.). In order to show you a bit of our town culture, we would like to go to the market afterwards, where you can do some shopping. Furthermore, we can visit another school so that you can get an insight into the German school system.

Sun, 15th November

On Sunday there will be the chance to get to know each other better, to talk about the project and show you a bit more of Germany - we would like to go on a trip with you. The destination will be chosen according to the weather conditions.

Mon, 16th November

At 8 a.m. you will get a chance to visit further occupational colleges – the school for carpenters and for domestic economy. This will be followed by an interesting plant visit. This way you can see both branches of the German occupational system: the school for the theoretical education and the apprenticeship in companies.

At about 4 p.m. we will sum up our findings in a meeting.
In the evening we will enjoy a closing dinner together.

Tue, 17th November

Departure
